## **Ann Kleine: Four Decades of Service to Midland Memorial Hospital**

Midland Memorial Foundation was saddened by the passing of our friend, Ann Kleine on January 10. Ann was a proud Texas native with a passion for volunteering. She volunteered for the Midland Memorial Hospital Auxiliary for over 40 years and served two terms as president, as well as chair of the Quality Improvement, Ways and Means and Projects Committees. The Board of Trustees at Midland Memorial Hospital also benefited from her leadership. After serving 12 years as a Trustee, she was nominated to the Board of Governors where she served from 2007-2019. In 2020 she became a Governor Emeritus.

For more than 55 years, Ann was an active member of St. Ann’s Catholic Church where she also volunteered on the Altar Society and served as president twice. In 2013, Ann was recognized with the esteemed Golden Deeds Award, presented to her by the Midland Exchange Club. This honor is reserved for, “the quiet good deeds of America’s unsung heroes.”

In 2008 she established the Ann M. Kleine Nursing Scholarship Endowment Fund to provide funding for tuition, fees, and books for nurses pursuing an advanced healthcare degree. Ann was a generous and devoted community leader offering a helping hand to

many. On behalf of Midland Memorial Foundation, we are forever grateful to Ann for her thoughtfulness and many years of leadership and service to not only Midland Memorial Hospital but to the greater Midland community.

## The Trobaugh Family Endowment Fund: A Legacy of Community Service

*The Trobaugh Family from left: Thomas, Susan, Melba, Allen "Moose", Georgia and Sidney.*

The late Melba and Allen K. "Moose" Trobaugh moved to Midland in 1950 where they raised their family of three daughters, Georgia K. Trobaugh and Sidney T. Scarborough of Midland, Susan Trobaugh of Austin, and a son Thomas Allen Trobaugh who passed away in 2019. Through the years, the family became very active in the community. Moose was involved with forming High Sky Girls' Ranch and was active in many organizations such as the United Way, Midland College, the Human Relations Council and various other Midland organizations.

Melba was a member of Children's Service League, Senior Services, Trinity School Board, Midland College and Samaritan Family Counseling Center. She was an original member of the Permian Basin Area Foundation, as well as a member of their Board of Governors. Melba and Moose were excellent examples to their children of the value of serving their community. Following in their parents' footsteps, their daughters, Georgia and Sidney continue to

serve the Midland community to this day. Georgia was an active member of Midland Memorial Hospital Board of Trustees for 25 years and, in 2017, began serving on Midland Memorial Foundation's Board of Governors. She also served on the boards of High Sky Children's Ranch, United Way, Permian Basin Area Foundation, Permian Basin Petroleum Museum and Midland Country Club. Sidney has also been active in the community through the Junior League of Midland, Holy Trinity Episcopal Church and Trinity School, where she currently serves on the Trinity School Board of Trustees.

Midland Memorial Foundation is honored by the family's generous gift to establish the Trobaugh Family Endowment Fund. The perpetual fund will not only support Midland Memorial Hospital but will extend their legacy for generations to come. We are grateful to forward thinking donors like the Trobaugh Family and others who help Midland Memorial Foundation fulfill our mission of promoting and maintaining excellence in healthcare.

## Look Good Feel Good Shop

Midland Memorial Foundation is delighted to announce that after a temporary closure, the Look Good Feel Good Shop is now open! The LGFG Shop is dedicated to improving the appearance and confidence

of cancer patients through a non-medical consultation that offers guidance on skin and hair care, as well as styling wigs, turbans, and accessories. Carmelita Gonzalez joined the LGFG Shop in December 2023 and offers 30 years of experience as a beautician. The shop has been revitalized with new products and wigs in a variety of sizes and styles. We would like to thank donors who support the LGFG shop, as well as Texas Oncology for graciously housing the shop. It is a wonderful collaboration!

*Working together, we can make a profound and lasting impact on our community by improving the health of our people. For questions and further information, please contact the Foundation office at (432) 221-1569.*
